

Four Fun Learning Days

We have had a shorter week but we've still managed to cram loads of learning in.

Starfish class have been busy measuring and finding out how long objects are, Seals have been designing and making their own board games, Jellyfish have investigated how the size of a drum skin changes it's pitch, Dolphins have been swimming and discussing superheroes and Sea Turtles have revised how to calculate volume and solve algebra problems (ready for next week's SATs) and playing a few games of table tennis in-between!

On Monday 21st M&M Theatre Productions are visiting and performing The Railway Children to the whole school. It would be a great help if you could pay a voluntary contribution on ParentPay of £2.50 toward the cost of this.

Parent consultations take place within the week commencing 18th June, which gives the chance for you to be able to discuss your child's learning with their teacher. Don't forget to use the online booking system on Friday 18th May from 6pm onwards to make your booking. As always, if you have any difficulty logging into the eSchools booking system please contact Miss Soper in the office.

Have a great weekend

Mr Gynn

**Today was good.
Today was fun.
Tomorrow is another one.**
