

Spring Term Welcome!

It has been great to welcome back all the children this week and begin our Spring Term topics. Infant children will spend this half term becoming 'Plant Based Explorers' and the junior classes are studying 'Space'!

There are lots of events coming up this half term on top of all the sporting fixtures that we will be attending, so please keep checking the newsletters, school website, Twitter feed and ensure that we have your up to date mobile number so that you can receive text messages from us.

With the aim of becoming more environmentally friendly, whilst also reducing the school's printing costs, we hope to be in a position where we no longer produce a paper copy of the newsletter and instead send digital copies via email. We will be requesting your preferred email address in the coming weeks.

Attendance

Recently we were visited by an Education Welfare Officer who looked at the school's attendance figures. Government Department for Education guidelines state that a school's overall attendance should be 96.1% and we currently have an attendance rate of 96.9%.

If your child has an attendance of below 95% we have a duty to inform you of this. Therefore, you may receive or already have received a letter to advise you of this.

Please ensure that your child only takes time off for medical reasons and if they are unwell and absent from school please call the school office (01726 843522) as soon as possible to inform us, as this could result in an unauthorised absence if no reason is given.

Mr. Gynn

Book token winners

In our Christmas assembly, we awarded a £5 book token to the child in each class who had read the most at home during the last half term. Well done to the winners (pictured left)

More book tokens will be awarded next half term. We look forward to seeing who the new winners will be!

Mrs. Constantine
