Chenies School Friday Letter

This Week:

Dear Parents and Carers

It has been a rather demanding week for most of our students and our teachers this week, with end of year assessments undertaken by children and judgements being made by teachers. We have already started to submit data to Bucks CC for the end of this academic year. The children have shown maturity and resilience as they have worked hard through these tests furthermore, their behaviour has been excellent this week, thank you. I would also like to thank the teaching team for their hard work, in and out of hours, in getting the data together. Once verified these are the results that will be in your child's end of term report which will be given out on Friday July 13th.

As you will have seen from your inbox/child's book bag, we have got a very busy few weeks ahead with trips and visits. Please can you help us organise these efficiently by returning your slips and making payment as soon as possible. As always, we are very grateful for your support. These commence in earnest next week as we have an RE week based on Christianity and we are visiting three different churches so we can explore differences between some of the Christian denominations.

We also have class photos on Monday morning, so smartest uniform required and please be here, it is such a shame when a child is absent from their class photo.

We have a number of vacancies to join our wonderful team here at Chenies, these close next Friday. If you, or someone you know, is looking to work in a great environment with lovely people then please point them to this link.
