Chenies School Friday Letter

This Week:

Dear Parents and Carers

It has been a very calm and positive start to the term. The children have returned refreshed and ready to learn.

Phoenix have been busy learning about Charles Darwin, the Galapagos Islands and looking closely at Japanese art. Pegasus have been discussing ideas on how they can create their own audio books. Sprites have come back a little bit taller and ready to start their transition to Year 1.

The Griffin children who stayed behind have had a great week. At the start of the week they spent a morning baking and after a successful cake sale they walked up to Van Hage to buy plants. The children have worked hard weeding, sorting out the wildlife area and planting pots around the school. The children have also been doing a project about the World cup, researching facts about the countries participating and the football teams. A big thank you to Mrs Walker and Mrs Ince for working really hard and going above and beyond to ensure that the children have had an exciting week.

The rest of Griffin have had an excellent trip so far with an exciting Friday ahead. All the children have really pushed themselves; be that an extra rock higher up a climbing wall, a longer leap to the trapeze or jumping into the lake. A huge thanks to Mrs Tillyer and Mrs Wilson for giving up their family time to support our children here in occasionally sunny Wiltshire. Also a big thanks to Mrs Sahotay for keeping things running so smoothly back at the ranch.

Parents @ Chenies School (PTA):

We would really appreciate your help and support for our forthcoming fundraising events please:

Saturday, 16th June - Little Chalfont Village Day we are running a stall with refreshments, book sales and plant pot decorating between 12-4pm, please come along and help us promote the school and support the fundraising activities. Any time you can spare would be greatly appreciated.

Sunday, 24th June - Chenies School Summer Fair preparations are well under way. Please sign up for time slots on stalls as we can't run without everyone pulling together. Rotas will be in the playground every day from now until the fair. Your support is hugely appreciated. Class reps will have a list of any donations and help needed for your class stall.

Bake off entry forms are on the school website under the PTA fundraising tab and paper copies will be sent out next week in book bags. Please encourage children, grandparents, friends, family, neighbours to all take part to make our first Bake Off a success!

Summer raffle tickets will be coming very soon so please keep an eye out for these too.
