

Friday 15<sup>th</sup> November, 2019

Dear Parents and Carers,

### Year 6 Residential Trip – Delaware

The Delaware Outdoor Education Centre, overlooking the Tamar Valley provides a spacious, centrally heated, residential base, with a large sports field and a sunny garden with picnic benches. It provides a superb base in which to undertake a range of adventurous, outdoor and educational activities.

Our residential trip to Delaware is one of the highlights of the Year 6 calendar and is a fantastic opportunity for our children to make lasting memories of their final weeks at Mount Charles School. Our children will be able to enjoy mountain biking, climbing and bouldering, moorland exploration and navigation, gorge walking, learn survival skills and other team building and problem solving activities.

Date: 18<sup>th</sup> May – 20<sup>th</sup> May 2020  
Cost of Trip: £153.00 plus transport cost.

We will send further information in due course regarding timings, kit lists, itineraries and consent forms. We will also hold a camp meeting for parents in the spring term. There will be an additional cost for transport which will be calculated when the number of children attending is known.

To secure your child's place on the Delaware residential, please pay the £10.00 deposit on ParentPay by Friday 13<sup>th</sup> December, 2019, with the final balance due by Monday 23<sup>rd</sup> March, 2020.

If you have any questions, please don't hesitate to speak to your child's class teacher.

Yours sincerely,  
Mr Hughes and Miss Blizzard
