Dear Parents / Carers,

Transition Information

The Department for Education guidance for the full re-opening of schools in September 2020 was published yesterday and we are now working through it so that we can formulate a safe, comprehensive and fully compliant plan of action. Please see the link below:

After reading the guidance you will appreciate that Mount Charles School will be operating differently for the foreseeable future to ensure the safety of our school community. We cannot wait to see ALL your smiling faces again and we will provide details regarding the logistics of the start of the academic year as soon as we can. Thank you as ever for your patience and support.

As you know we have been working hard to ensure that we are providing the best possible support for our families throughout this challenging time. We have welcomed back our reception, Year 1, 6 and have one bubble of key worker and vulnerable children in Years 2, 3, 4 and 5. Next week we welcome back our Year 5 children ensuring that they all have one week with their class teacher for next year. We have utilised every space within our site and deployed staff to ensure the best possible offer following the current guidance. We wish that we could have welcomed all year groups for transition but unfortunately we are unable to. Our teachers have completed thorough handover meetings to ensure that your child's new class teacher has all the information they will need. Your child's new class teacher will also share a recording with your child, via eSchools and our website, sharing some exciting information regarding their learning for next year. We have also scheduled an opportunity for parents to have a phone conversation with your child's new class teacher so that you have the opportunity to update them regarding any changes or any concerns that you may have. Your child's current class teacher will continue to communicate with you until the end of term giving you an opportunity to say goodbye.
