The school disco went really well, the children seemed to love it. The chill out room was a success, it was good for them to have somewhere they could go to have a break. We discussed the possibility of another disco later in the year. Mrs Bunting said she'd have to see as it requires teachers to give up meeting time to staff the event. It raised £489.37

UPCOMING EVENTS

EASTER EGG HUNT.

Thursday 29th March

Eggs to be bought by the PTA. Both ASDA and Tesco currenty have offers Eggs can be bought from Tesco for 75p each. We agreed that Maria and Rachael would go and get them. Gemma and Becky to arrange printing some stickers saying "Happy Easter from the PTA" to stick on each egg. Mrs Bunting said that the teachers would run the Egg hunt and distribute 1 egg to each child at the end of the day.

SPONSORED WALK

Provisional date of Thursday 7th June

We discussed the charities that the walk could support and what the fancy dress theme could be . No decisions were made. We talked about selling Hotdogs and Ice Creams afterwards.

SPORTS DAY

3 dates are pencilled in to allow for postponement due to bad weather.

Tuesday 12th June, Thursday 14th June, Tuesday 19th June

Infants -am

Juniors - pm

It was suggested that seeing as it's a whole day event that the parents will be invited to bring picnics that can be eaten either on the field or in the playgrounds. The PTA could either do a BBQ or the canteen could cook a load of pasties/sausage rolls for us to sell. We also discussed the possibility of getting a freezer so we could sell ice creams. This freezer could then also be used throughout the summer to sell ice creams after school in a similar way to the hot chocolate/cake sales we're currently doing.

During sports day the PTA will provide orange segments for the children. Possibly fruit cups/strawberries to sell also.

SUMMER FAYRE

Provisional date discussed of Friday 29th June

Becky is approaching local businesses to ask for donations of Gazebos. Homebase have given us one which Becky will collect next week. Ideally we'd like to collect 4 in total.
