BENFIELD SCHOOL

UNIFORM GUIDE 2021

All students and staff follow a dress code that helps to create the right learning ethos and demonstrates our commitment to excellence. The vast majority of our students wear their uniform with PRIDE, we are commended for how we look. We want to ensure all our students do this.

At Benfield, we believe that an adept school uniform is essential for creating a united atmosphere and avoiding competitive dressing. This year, we are introducing a new uniform policy hoping to keep our standards high

We have worked closely with our governors, staff and suppliers to ensure our uniform is practical, smart and fit for purpose as well as representing our school's and our community's values and standards.

If you have any other queries about our uniform policy that are not covered in our 2021 guide, do not hesitate to contact the school. Your child's Year Leader will be available to answer any questions you may have:
