

Our topic is:
Romans

Dear Parents/Carers and Children,

This week Class 3 have been very busy. We have been continuing our English Learning Journey by looking at conjunctions and how to pick out key facts in a piece of text. Next week will be really interesting as the children will be hosting their own news broadcasts about the alien sighting, using the facts we have found so far!

In Maths we have been continuing to practice our grid method multiplication, we have moved onto trying word questions, and the children have been responsible for challenging themselves by using a new seating system in class for our Maths lessons.

In our topic work we have begun making and painting Roman shields, we hope to get these finished next week and begin learning some Roman Army formations! We'll then put these to good use by displaying our formations to the whole school soon!

SPORTS RELIEF NEXT WEEK

Next week each class in the school will be having a race or challenge of some kind against the teachers. Class 3 have begun experimenting with building obstacle courses, and we hope to raise lots of money next week.

On Friday 23rd March we will all be coming to school dressed as our favourite sports hero. We kindly ask that a voluntary £1 donation be made towards the Sports Relief cause too.

PARENT CONSULTATIONS

Tuesday 20th & Wednesday 21st March

Our parent consultations will be on the date above, so please find the time to book your slot now with Mrs Trevasakis at reception. We are looking forward to meeting with you and discussing your child's progress.

Key Dates

Tues 20th March - Parent consultations.

Wed 21st March - Parent consultations.

Fri 23rd March - FOPS Movie Night.

Week Beg. 26th March - Autism Awareness Week.

Wed 28th March - Easter celebration, info to follow.

Thurs 29th March - Break up for Easter

Mon 16th April - Back to school.

Final Note: This year on Wednesday mornings, Class 3 will be taught focused English and Maths lessons by Mrs Churms, this is in line with our school wide focus to improve our fundamental English and Maths skills. They will then have their Forest School session in the afternoon with Mrs Edwards, so please remember Forest School clothing for Wednesdays.
