

A leaflet for parents and carers
Reception Class - September 2020

Reception Class Information

Welcome!

Welcome to Reception. This leaflet will give you some of the daily information that you will need as your child starts school. We hope it will answer many of the questions you may have about your child's time in Reception at Great and Little Shelford Primary School, but please don't hesitate to contact us if there is something more you would like to know.

Staff

There is one Reception class at Great and Little Shelford School. The class is led by a class teacher (Mrs Clarke and Mrs Unwin job-share this role) and we are fortunate to have a teaching assistant as an additional full time support in the classroom. It is often possible to speak to the class teacher briefly at the beginning or end of the day but please do not hesitate to make an appointment if you need more than a few minutes to discuss your child.

Home / School Liaison and Book Bags:

To ensure that we can communicate effectively with home and school, each child needs to purchase a book bag from the school office or www.brigade.uk.com. We will then provide each child with a reading record. This can be used to make a record of reading at home. We ask that parents complete this daily. Staff at school will also write in your child's reading record when books are changed / we read with your child in order to communicate effectively about their reading progress. Additional letters will also be sent home in your child's book bag, so please check this regularly.

Transition

The transition into school can create a mixture of emotions for everyone. To make it easier for the children and staff to get to know each other we have adapted our transition process this year in light of the current restrictions in place. This is an important stage for you and your children, so please see below for the plans we have in place to help make the move to school as smooth and happy a transition as possible in these challenging times.

Virtual Parents' Induction Evening

This year we will be holding our parent's meeting online. This will be an opportunity to receive a formal welcome and introduction to Shelford School, gather some more information about whole-school life and also hear an overview of what to expect when your child starts school and how to help them prepare. Details of how to access this meeting will be sent to you closer to the time.

This will take place on: **Thursday 25th June at 6:00pm**

If you have any general questions which you would like us to answer at this meeting, we would appreciate it if you could send them to the office in advance so that we can collate all queries and endeavour to answer as many as possible on the night.

'Home' Visits

In place of our usual 'home visits', this year we will be holding 'Virtual Home Visits' through online meetings with yourselves and the class teachers; Mrs Clarke and Mrs Unwin. This will be an opportunity to chat on a more personal level about your own child, share any particular needs they may have, and ask any individual questions. This will last for approximately 15 minutes. These 'family meetings' will take place during July. We will write to you individually to inform you of your 'home visit' time.

Classroom Visits

Unfortunately, we will be unable to welcome children into school this term, so this year our classroom visits will take place in September. Proposed timings of these visits are as follows:

1. Friday 4 th September	Teddy Bears Picnic: 2.00pm – 3.00pm (all children) Parents and children are encouraged to stay and play / explore the classroom environment and meet other families who are starting Reception.
For the following visits we encourage you to settle your children into class on arrival but if they are happy to stay alone, please take this opportunity to let them explore the environment independently and return to collect them at the end of the session. We understand that this separation / transition process may take a little longer this year for some children. We will welcome the children in 2 groups of 15 as follows:	
2. Monday 7 th September	9.15am – 11.00am (Surnames A – J) 15 children 1.30pm – 2.45pm (Surnames K – Z) 15 children
3. Tuesday 8 th September	9.15am – 11.00am (Surnames K - Z) 15 children 1.30pm – 2.45pm (Surnames A - J) 15 children

Staggered Start

We operate a staggered start in September in order to give the children the opportunity to become settled in small groups before joining a group of 30. This will help them to become familiar with their surroundings and school routines. Children are split into 2 groups according to surname as follows.

Week 1	<p>Wed 9th September – Friday 11th September</p> <p>Children start school in groups of 15</p>	<p>Children with surnames A to J (15 children):</p> <ul style="list-style-type: none"> • Mornings - Wednesday and Thursday 9.00am – 11.30am • Afternoons - Friday 12.45pm – 3.15pm <p>Children with surnames K to Z (15 children):</p> <ul style="list-style-type: none"> • Afternoons – Wednesday and Thursday 12.45pm – 3.15pm • Mornings - Friday 9.00am – 11.30am
Week 2	<p>Week beginning 14/09/20</p> <p>Whole class attends mornings and lunchtime 'Settling in' parent consultations in the afternoons</p>	<p>ALL Children</p> <ul style="list-style-type: none"> • Morning session and lunchtime – Monday to Friday 8.45am - 12.45pm <i>Children are partnered with a named Year 6 'buddy' for the lunchtime and overseen by a Reception class TA throughout the lunch play.</i> • Afternoons – Monday to Friday 15 minute consultation appointment for parents with Mrs Clarke / Mrs Unwin and Mr Grey at school. We will ask you to sign-up for these appointments ahead of time. <i>N.B. Please bring your child with you to the appointment - the Reception class Teaching Assistant will work with your child on an activity for the duration of the appointment.</i>
Week 3	<p>Week beginning 21/09/20</p> <p>Whole class attends</p>	<ul style="list-style-type: none"> • From now on all children attend for at least the morning session and lunchtime 8.45am - 12.45pm • A full day is offered if your child is ready for it, otherwise one or two afternoons are offered and increased by one day each week until half term. This decision will be made by Mrs. Clarke and Mrs. Unwin in consultation with you. The school will work with you to achieve full time hours for your child by October half term.

Although it is not a legal requirement for a child to be in school until the term after they are five, the school works with parents, under the advice and guidance of Cambridgeshire County Council, to usually achieve full-time attendance by the end of the first half term. We recognise that this transition period may take a little longer this year for some children and so we will discuss with parents on an individual basis if they wish to continue to attend on a part-time basis for a longer period. We want all children to settle happily and successfully into school life and will work closely with you on this important matter.

Attendance and Punctuality

The school is keen to encourage the habits of good attendance and good punctuality. Parents have a responsibility to ensure good attendance and are particularly urged to make sure that their children are at school on time, ready for when we start at **8:45am** each morning. This helps not only staff but the children as well. If the gate is closed, please report to the office to sign your child in as late. A member of staff will then accompany them to the classroom.

School times:

Week 1	Children come into the classroom at 9.00am or 12.45pm. Parents and carers are invited to help their child engage in an activity. Parents and carers are encouraged to leave once their child has settled.
Week 2	Children come into the classroom at 8.45am. Parents and carers are invited to help their child engage in an activity. Parents and carers are encouraged to leave once their child has settled, and wherever possible by the start of registration at 8.55am.
Week 3	Most children have learned the routines by this stage, so we encourage them to say goodbye to parents at the door at 8.45am in order to minimise over-crowding in the classroom.

Collection

Dismissal is at 3.15pm from the Reception/Year 1 garden gate. Staff will carefully match you up with your child. If any other family member or friend is collecting your child, please alert us to this at the door when you drop off your child and we will record it on our daily information sheet, so that we can ensure a safe collection at the end of the day. We will not hand over your child to anyone else unless we have your written permission at the beginning of the day or receive a telephone call from the parent to the school office that changes this instruction during the day.

The children will always be dropped off and collected at the Reception door / by the Reception gate. In the early weeks, when children are part-time, if you arrive early, we would appreciate it if you could please wait until a group of parents has gathered at the green gate in the car park before pressing the buzzer. Thank you.

Illness and Absence

Please telephone or email the school first thing in the morning if your child is absent from school due to illness. Children with sickness or diarrhoea should stay at home until they have been clear of symptoms for 48 hours.

Contact Details and Medical Information

Please ensure that you have completed the contact details for your child and returned to the office as soon as possible. If any contact information changes throughout the year please ensure that you update the office immediately.

If your child has any medical requirements that we need to be aware of please make sure that you have discussed these with your child's class teacher as well as writing all the relevant information on the contact forms.

If your child requires an inhaler or has an epi-pen, please ensure that all the components are clearly named, in date and you hand it to your child's class teacher. These will need to remain in school at all times.

- a change of footwear is required for PE, e.g. plimsolls. Please make sure that your child has shoes that they can take off and put on again themselves – Velcro fastenings are ideal for small children.

You will be informed which House your child will be in in the first half of term so that you will be able to order this before October half term.

The PE kit should be stored in a *named* drawstring bag. Please note that we cannot accept rucksacks, as they do not fit on the children's pegs.

. An information leaflet is included in your New Pupil Pack.

N.B. It is not essential for sweatshirts, cardigans and polo shirts to have the school badge, but red and white should be selected to be in line with the rest of the school.

Jewellery should not be worn in school (except for stud earrings. These should be removed on PE days).

PLEASE ENSURE THAT ALL CLOTHES ARE MARKED WITH YOUR CHILD'S NAME!

School Meals

Children are given a school lunch, which is cooked on the premises. This is funded by the Government. If children really do not like these (this is rare) they are able to bring a packed lunch. It is essential that when you drop off your child, you select which lunch choice your child would like (including packed lunch) and tick his / her name in the appropriate column on the list outside the Reception Class every morning. If your child does bring a packed lunch to school, please note that fizzy drinks, sweets and chocolate bars, nuts and nut products are not permissible in your child's lunch box. The school operates a Nut Free policy, due to the severe allergies of a number of children on site.

Morning Snack

All EYFS/KS1 children receive a free piece of fruit provided by the National Schools Fruit Scheme. Please send a named bottle filled with water, not juice, to school for your child. This will be kept in a designated tray and children are able and encouraged to access it during the day.

Please note that all parents / volunteers will need to undertake the enhanced DBS checking process and attend a Volunteer Helpers' Induction **before** starting to work in the classroom. Please contact the school office **as soon as possible** to get this process started.

Preparing for School

Included in your pack are various pieces of information to help you prepare your child for school. The '**All About Me**' booklet and '**My Road to School Map**' provide useful information about the way your child learns and your child's skills. Please complete them with your child and return them together with the **data collection form and other forms** in your New Pupil Pack by **Friday 19th June**.

Further information about preparing your child for what to expect in September and the Early Years Foundation Stage Curriculum will be shared in our Virtual Parents' Induction Evening.
