

My Happiness Box

This is your box of happiness! - We all have different things that make us happy - This is your chance to choose things that make you happy - The box can be as big as you want it to be, so you could include a pet or a person !!

You can decorate the box in any way you want.

On the next page you can list the items you would include and explain why - You can also draw the things you want to put in. When you start your new school in September, you will be asked to talk about your top 3 choices only if you want to!
