Dear parents,

What unexpected weather we have had! This beautiful weather, enticed all the classes outside for lessons! In Class 4, pupils were looking at shadows whilst Class 3 and Class 2 started their Science topic, Plants. Class 2 did some wonderful sketches of flowers; identifying the different parts. In Class 1, pupils have been frogs and have had great fun exploring the number line as part of their place value topic!

As part of a program run by Metro Bank, Years 4 and 5 visited the branch in High Wycombe. The manager showed them the money machine, how debit cards are made and even let them all into the vault where the safety security boxes are stored. The children all received goody bags along with their certificate of completion and got to meet Metro Man. Well done and thank you to Metro Bank!

Governor Questionnaires

If you did not get a chance to complete the questionnaires that were given out at the parent teacher consultations, please could you complete one. Your views and opinions are very important to us.

World Book Day

Don't forget it is World Book Day on Thursday 7th March. Children are welcome to come dressed as their favourite story book character

Parents evening

If you were unable to attend, please contact your child's class teacher to arrange a convenient time.

Sing Perform Inspire!

Year 2 will be joining local schools at Stokenchurch Primary School for a morning of singing! The workshop will take place on Friday 8th March 9.30 – 12.00. Please ensure all Year 2 pupils return their permission letters.

STEM Week

We will be holding our first STEM week - Monday 11th March - Friday 15th March, and would like to invite any parents who use STEM in their jobs - Science, Technology, Engineering or Maths to come in and talk to the children for 10/15 minutes at the start or end of the day about their job. If you are able to help, please let the office, or your child's class teacher know.

Cadmore End Spring Clean

We have exciting plans in place to enhance the children's learning environment; however we need your help to keep costs low!

PLEASE can you, family and friends spare a couple of hours, a day or even the weekend to help with the following:

- Cleaning out the pond ready for the new garden area!
- Taking down the wooden shed and shelter ready for the new outdoor classroom!
- Painting class 4 ready for new carpets!
- Filling gaps in the outside floor slabs so they don't wobble!
- Jet washing the amphitheatre ready for a paint!

All resources and equipment will be provided, however we do need equipment to dismantle the shed and shelter!

Refreshments and cake will be provided. Children are welcome.

If you can help, please contact the school office.

As always, have a lovely weekend.

Best wishes,
Mrs D Groom
Headteacher
