Dear parents,

What a fantastic year we have had. I am very pleased at how hard our children and staff have worked. Everyone should be very proud of themselves!

We finished off our year with a fantastic performance of Pirates and The Curry Bean by KS2. There was laughter all round. Well done!

Every class has been involved in lots of exciting opportunities and adventures over the course of this academic year, ranging from water sports, community events to activities in the local woods.

Yesterday saw Class 1 having a tea party in the woods, Class 3 enjoying sports and Class 2 and 4 having the paddling pool out and enjoying a good old fashioned water fight – staff included!!

A lovely memory for myself and I am sure for many pupils, was taking the whole school to Cotswold Wildlife Park. The children had such a lovely time wandering around the park, having a picnic on the field and buying memorabilia from the shop. Whilst the older children went for fridge magnets and cuddly toys, the younger ones went for the slime!!

I continue to have visitors and prospective parents comment on how lovely our school is and that it seems like 'one big happy family'. This is all thanks to our pupils and you as parents and the support you give us. The PTA do a fantastic job in not only raising money but bringing families together.

I would like to take this opportunity on behalf of myself and the staff to wish you all a fantastic summer holiday. Fingers crossed that this lovely weather continues – maybe a few degrees cooler!

See you all on **Thursday 6th September 2018.**

Kind regards,
Mrs D Groom
