Summer Term 2019

Wed 24.4.19 Fri 24. 5. 19

Tue 4.6.19 Tue 23.7.19

Dear parents,

What a fun packed week the children have had! Class One had a meteorologist visit the children, to discuss his job as part of the children's weather topic. The class had a wonderful time and asked plenty of questions, including one that he had to go

away and research! Darren Maude later sent Mrs Woolfson an email with the answer and some lovely comments about the children and the school, which I would like to share with you *'Can I just say what a wonderful experience it was to visit your gorgeous school and meet those polite, engaging and intelligent children. It's something that will stay with me for a long time, and I would suggest that many people would benefit from seeing that wonderful setting and zest for life that those children have. Absolutely beautiful!'* Well done Class 1.

In Class Two the children have been playing different character roles as part of their traditional tales unit in English. Today, they had to decide whether the wolf from The Three Little Pigs was innocent or guilty! In Class Three, they enjoyed a trip to Pizza Express and made their own margarita pizzas and in Class Four the suspense is high as they enter another chapter in the story Goodnight Mister Tom.

Attendance and Punctuality

Last academic year, we focused on improving attendance across the school. I am pleased to announce that we have remained at national average of 95% or above for the past year! Well done.

This academic year, we have focused on punctuality. This has improved but we still have persistent lateness. Pupils who are late are unsettled and find it a real struggle to get themselves organised and up to speed with what is going on in the class; often missing out on Soft Start Challenges or the start of a lesson. On the other hand, pupils who arrive just after 8.40 are settled, focused and ready to learn. Please can you ensure your child is in school and ready to learn by 8.50am at the very latest.

Did you know that there are 175 days where your child is not at school? With this in mind, please refrain from taking your child out during school time for check-ups and holidays. Again this unsettles the children as they miss out on sections of their learning.

Stay and Learn

Thank you for the feedback from Stay and Learn. If you have not had an opportunity to feedback yet, please do so as your views helps us to improve this experience.

Fees

Class Three

We still have outstanding fees for the Hazard Alley trip. Please can you send in £20 ASAP. Cheques are made payable to Bucks CC.

Class Four

For those children who are going on the Quinta Residential, please could you pay the 2nd instalment of £60. All cheques must be made payable to Bucks CC.

Science Week

We will be holding our first Science Week on Monday 11th March. Teachers are busy planning a range of experiments and activities for the week. Watch this space!

Finally, I have some exciting news! Mrs Alvarez is expecting her first child! Baby is due in August.

The recruitment process has started and we have had lots of interest so far. Please be rest assured that as always, I will personally oversee the process and ensure that recruit a teacher of high calibre and who believes in our strong Cadmore values.

As always, have a lovely weekend.

Best wishes,
Mrs D Groom
