

ISLEHAM WEEKLY NEWS

Week commencing: Monday 4th October 2021

BIKEABILITY

Well done to all our Year 5 and 6 children who took part in the Bikeability programme last week. We were delighted to hear so many positive comments about the children and had a record number of children take their Level 1 and 2 certificates. Here are some photos of the Year 5s in action.

HARVEST FESTIVAL

Thank you to all who joined us last Friday at St Andrew's Church for our harvest festival, and for your amazing selection of harvest goods for the Ely Foodbank. Your donations made a really amazing display as you can see in the photos overleaf. Congratulations and thank you too to our House Captains and School Councillors who spoke really well in the service.

RECEPTION NEWS

In Reception last week, the children talked a lot about Harvest. They have been talking about what Harvest is and why we celebrate it. The children have been using conkers to count with, drawing pictures of real fruit and vegetables, decorating pictures of vegetables using tissue paper and creating their prays for the Harvest pray tree. As part of their week, all the children had a go at making their own bread hedgehog- they all weighed out ingredients, kneaded and shaped the dough ready for it to go in the oven. They smelt and looked delicious! To round off our week, the children visited the church on Thursday to have a look around, before walking and sitting beautifully during our first Harvest Festival on Friday. Well done Reception on another wonderful week!
