

**In the 1960s, art movements such as Psychedelic Art, Pop Art, Minimalism and Conceptual Art, became really significant.**

**In the next few slides, you will see some examples of writing in the 1960s style.**

**This style was often wavy and curvy with bright colours and strange patterns.**

**We would like you to use the following slides as inspiration to create a sign of your first name.**

**We will use these signs to make a display of the members of our classes in September.**

**Please make your sign between A4 and A3 in size.**
