

Dear children,

Hello and welcome to Year 2! We are really looking forward to meeting you and thought we'd tell you a little bit about ourselves.

I'm Mrs Collard and I teach in Pine Class. I have been teaching at St Matthew's for 19 years! You may have seen me if you came to Key Stage 1 choir this year. I have three children. Two of them are at St Matthew's too. I like reading lots of exciting books and I'm looking forward to sharing some stories with you.

I'm Mrs Evans and I teach in Larch Class. I have two children called Toby and Libby and I love singing, just like Mr Evans! What's your favourite song? I am really looking forward to having a nice relaxing summer holidays then getting back to some fun learning in September!

I'm Miss Calow and I'll be in Larch class on Fridays. I've taught lots of classes in St Matthew's so hopefully lots of you will already know me. I can't wait to see all of you in September.

I'm Miss Hehir and I teach in Ash Class. I like all sorts of things including cats, photography and nature. It's my job to look after the library so I love books too. Do you have a favourite story?

Some of you have been in school already in bubbles and some of you have been at home for a long time so you may be worried about coming back to school. Don't worry! We are going to look after you and have lots of fun in Year 2. It's a great year and we have lots of exciting topics!

We are sending you something to do to help us get to know you. You could do this in the last two days of school or at any point in the holiday. We would like you to write a postcard to your new teacher. This could be a postcard from somewhere you have visited or you could use the postcard template and draw your own picture. You could write about what you have been doing in the holidays or some facts about yourself.

Please send your postcard to:

St Matthew's Primary School,
19 Norfolk Street,
Cambridge,
CB1 2LD

Or you can bring it into school in September. Remember to write your teacher's name or your new class name on the postcard.

We know you've all been working very hard so make sure you have plenty of rest and lots of fun over the summer holidays.

We look forward to getting to know you all properly in Year 2.

From the Year 2 teachers
