

Chestnut Class – Year 4

English

We will study two texts in depth this term these will be The Green Ship, and Gorilla. We will be writing narratives, poems, recounts, letters and balanced arguments.

Maths

Maths work in these terms will be focused on: Place Value Addition and Subtraction, Measures and Multiplication.

Science

The focus for science will be states of matter (solids, liquids and gases). We will also be studying living things in their habitats.

Religious Education

The children will be looking at Noah and how his story shows commitment to God. We will also consider what we mean by The Trinity.

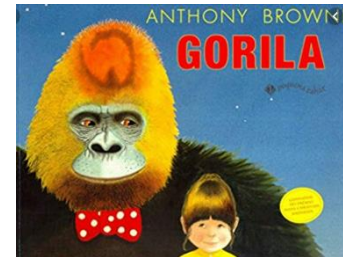

Geography/History

The class will be studying the Bronze Age and considering the secrets of standing stones. We will also look at various climates including deserts and jungles.

Terms 1 & 2 2019 – 2020

"For nothing is impossible with God"
Luke 1: 37

PSHE

The areas we will consider before Christmas are:
Teamwork,
Our Happy School, and
Being Out and About

French

The children will be continuing to study French with our specialist teacher.

Computing

The children will learn a variety of skills in computing during these two terms. They will focus on:
The use of PowerPoint and algorithms.

Physical Education

In PE this term we will focus on a variety of Invasion Games and look at general skills and tactics. We will also focus on Dance. PE sessions with our specialist PE teacher will be on a Thursday.

Music

Music will continue to be taught by Mrs. Lawrence. Throughout this work the children will continue to develop their knowledge and understanding of how to read and write music.

Art/DT

Art and DT will be linked to our text (The Green Ship). This will include observational drawing. We will also create items for the Christmas Fayre.
