

Computers

Recognise common uses of information technology beyond school.

I can recognise how others use technology outside of school.

Using Computer

Use technology purposefully to create, organise, store, manipulate and retrieve digital content.

I can find, open, edit and save files I am working on.

Use technology purposefully to create digital content comparing the benefits of different programs.

I can use different software programs and discuss the benefits of their usage.

E-Safety

Use technology safely and keep personal information private.

I know I need to keep my personal information private.

Coding

Use logical reasoning to predict the behaviour of simple programs.

I can predict the behaviour of a programmed toy, clearly relating each action to part of an algorithm.

Create simple programs.

I can create a simple program to perform a task.

Create and debug simple programs.

I can create and debug simple programs.

Debug simple programs by using logical reasoning to predict the actions instructed by the code.

I can find and fix simple bugs in programs.

Understand that programs execute by following precise and unambiguous instructions.

I can understand that programs run by following clear instructions.
