

## Farway Church of England Primary School Aims

We aim for children to develop lively and enquiring minds and an independent and positive approach to their learning.

We aim to fully develop effective and meaningful links between home, church and the wider community.

We aim to provide a safe and healthy environment and encourage children to adopt healthy life styles now and in later life

We aim to develop children's social and emotional awareness in order that they relate well to each other and develop a sense of worth.

We aim to achieve the highest standards of teaching and learning within a broad, balanced, creative and challenging curriculum which caters for individual pupil needs.

We aim to provide an atmosphere where children can learn happily together. In order to achieve this we believe that it is important to work in close partnership with parents and the community.

We aim to have a staff who are all committed to the task of helping the children to achieve their full potential and become successful, happy and considerate members of society.
