24th April 2015

Dear Parents,

This week our 'Extra Curricular' activities began again on Wednesday afternoon. The children had a choice of Forest School, Gardening, Textiles, Art or French Café. If you have a talent or an interest you think the children would enjoy taking part in as an 'extra' activity to our normal curriculum and have an hour free one afternoon a week, please come into school or e-mail us, we'd love to hear from you.

As you and your child enjoy reading online with www.bugclub.co.uk we are letting you know that on **Monday 27th April** the Bug Club is changing - for the better! Our service is being upgraded and we'll have a new URL www.activelearnprimary.co.uk and exciting new functionality including the option to read Bug Club on iPads and selected Android tablets (please see your class teacher if you don't have a log-in).

The children will still be able to use Bug Club on the laptops or desktop computers they currently use but after the upgrade, they'll be able to read their favourite Bug Club title wherever they are if your iPad or tablet is 3G-enabled. They will also have access to Bug Club's new improved 'My Rewards' area where they will be able to use the coins they earn from reading their eBooks in different reward worlds, and they will be able to 'spend' their reward coins straight away or save them up to spend when they want. We hope you and your children enjoy the improved provision.

Thank you for all your continued support.

God bless and have a lovely weekend.

Best wishes from Katie Gray and the staff at Broadhembury School

Question of the week

Class 1 Why are friends important?

Class 2 Think of a time when you have really enjoyed learning something.
How do you learn best?

White Sheets Needed – Extra Curricular Activities

Do you have any old white sheets that you no longer use or need and could be donated to the school? The children who will be taking part in the Textiles activity this half term will be having a go at Batik and making pillows, any white sheets that you can donate would be much appreciated.

Class 1 Multi Skills Sports at Honiton Leisure Centre

On Wednesday 29th April Class 1 will be joining the children from Farway and other schools from across the Honiton Learning Community to take part in a Multi Skills Sports session at Honiton Leisure Centre. Please complete the SOE3 which will be sent home today and return it to school by Monday 27th April.

All Age Worship/Family – Sunday 26th April 10am – 11am at Broadhembury Church

Broadhembury Church will be holding a family worship on Sunday 26th April at 10am, these services are usually held at least once a month at each Church, and are designed to particularly welcome children and young people to worship, and are less formal than other services.

Parent & Toddler Group Every other Friday 1.30pm – 3pm

The parent and toddler group will now run every two weeks starting from Friday 24th April, this is a free group for Parents, Toddlers and Reception Children.

There will be fun family activities including games, music, arts & crafts, cooking etc. Parents will be able to have a chat together over a cup of coffee. At the end of the session everyone is welcome to join our sharing assembly. Please pass this information to anyone else you know who has pre-school aged children. Please let us know if you are interested in attending.
