Our theme this half term is **Forgiveness**

It has been a very busy and productive week in school, and the arrival of the snow, on Wednesday, only added to the excitement. I know the children thoroughly enjoyed getting out and being creative, almost as much as some of the Staff enjoyed taking learning outside the classroom, in our beautiful grounds - what a great blessing to have such a stunning learning environment!

Thank you to parents and staff who came along to the PTA meeting on Monday evening; it was a useful planning session for events and activities to help support the fund-raising for all the children. Please look out for upcoming dates and ways you can get more involved.

Mrs Seagrave's Good Manners Award

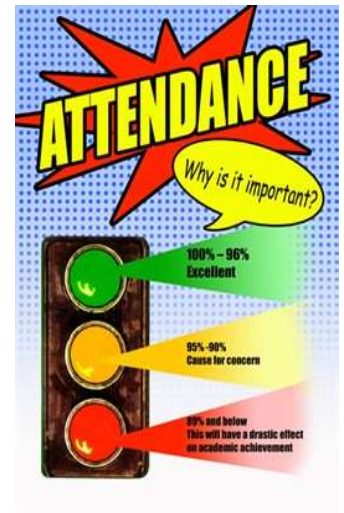

Congratulations to **Eva-Mae in Reception** who won my Good Manners Award last week. Eva is a ray of sunshine in our school. She is polite, mannerly and already has an excellent attitude towards her work and the way she behaves in and around school. Keep shining Eva, we are so very proud of you.

Attendance Consultant Visit

On Wednesday, I had a meeting with the LCC Attendance consultant. She came to analyse our attendance data. She was extremely pleased and commented favourably on our overall Attendance figures (half way through the year) being well above National averages and which are above our own school target. Thank you to all those families who make every effort to make attendance a real priority - together we are bucking the trend and it's making a positive difference. **Please continue to make sure your child is in school, on time, every day, and avoid booking holidays in term time, thank you.**
