Our Value this week is

HOPE

"Let your light shine." Matthew 5:16

A warm welcome back to the last half term of this school year. I hope you had a lovely half term and enjoyed getting outside on some of those beautiful, sunny days.

This week began with us welcoming two new children into our Lea Endowed Family; Lacey has joined us in Year 1 and Rogan has joined us in Year 5. Both children have settled in so well and we are delighted that they have joined our school family.

Please take a look at the latest Curriculum Learning Overviews for this half term. You will find these on each of the class areas. They are a summary of the planned Teaching and Learning which you may find helpful to discuss with your child.

The first week back has flown by and we are in the process of making plans for September. With this in mind, we are planning to have a "Move On" morning for all the children from Year R to Year 5, on Monday 12th July. The children will spend the morning with their teachers for September, and you will receive a letter outlining the Class arrangements for the new academic year.

With all the recent news coverage, I'm sure you will have read and heard about the rise of cases of Covid-19 in Lancashire, and across the North West. As we are mindful of the rising cases in our area, **(at least 2 local schools have had to close Bubbles this week)** we will continue to keep our current systems under constant review. We will only make further changes if they are appropriate, and are in line with our Risk Assessments and for the health and safety of our whole school family. Thank you for your patience and understanding as we wait for updated guidance from the government.

IMPORTANT: If any of your household are displaying symptoms, it is extremely important that you keep your child at home until the symptomatic person in the family, has received a negative PCR test.
