Our Value this week is
HOPE

"Let your light shine." Matthew 5:16

The title of the Year 6 Leavers' Play this week, "Wow! What a Year!" summed it up perfectly.

We have certainly been on a rollercoaster ride of emotions with another set of challenges to face and overcome. I must take this opportunity to once again thank the children for their incredible resilience and overcoming spirit during another tough year of changes. I am so proud of them, and of our wonderful staff for keeping our children as safe, happy and learning as possible, when the world around them has been full of mixed messages and confusion. I am very much aware that we were hoping to make it towards "Freedom Day", without too much further disruption, however, as with multitudes of other schools, this last half term has in many ways been the most disrupted in terms of Bubbles closing and isolation.

As we finish for the Summer break and reflect on the stormy sea, we've been navigating together, it has made me even more mindful of the need for God as the Anchor in our lives, to keep the Lea Endowed ship steady.

There's a beautiful passage in The Bible (Jeremiah 29:11-13) which says,

"I know the plans I have for you," says the Lord. "They are plans for good and not for disaster, to give you a future and a hope... when you pray, I will listen... If you look for me wholeheartedly, you will find me."

I pray that as a school family, we keep our eyes on the horizon for September, knowing that we are in His safe hands!

Summer Learning

Oak National Academy is extending its support to schools, teachers and pupils across summer 2021. Oak's Summer Classroom provide resources and lessons for summer home-learning. You can access it here:

Reading a good book (or several) is always a great idea over the Summer break!

Farewell to Year 6

On Friday we say a final goodbye to our very special Year 6 children. They have reached the finishing line at Lea Endowed, and it's now time for them to spread their wings and fly. My prayer is that they continue to flourish and grow into the best individuals they can be and discover the wonderful plan God has for their lives.

We send you onto this next exciting part of life's journey, with special love and prayers for you all. Shine brightly Year 6!

RACE for LIFE

This week, those children who were in school really enjoyed taking part in the Race for Life. It's not too late to help us reach our target of £500 to help beat Cancer. So far we've raised £350, which is just wonderful- THANK YOU! We have our very own Online Giving Page which you can use to donate online. You can access this page here:
