Our theme this half term is TRUST

This week, the children have been doing some assessments in order to help inform the teachers in how to help support the children in making the best possible progress in their learning. These assessments are used alongside the teachers' daily assessing of the children's progress. All the teachers have commented that the children have tried really hard in the tests and are working well towards their targets. This week we have been very busy fighting the many viruses that seem to be affecting several children. Please encourage your child to follow the medical advice to prevent the spread of flu;

Stay Hydrated, Eat Well, Sleep Well, Catch Coughs & Sneezes in a hanky and Wash Hands.

Mrs Seagrave's Good Manners and Respect Award

Congratulations to **Dylan** in Y5 who won my special award last week. Dylan is a fantastic ambassador for our school. His positive attitude and wonderful manners means he is an excellent role model for the younger children in school. Well done Dylan, keep shining, we are all very proud of you.

Ethos Group

We are delighted to announce the new members of the Ethos Group:
Sienna, Jake B, Millie, Libby and Theo,
These children have been chosen by all the staff for their input in Collective Worship and for helping other children to have greater understanding of our Christian Values, plan and lead our worship and develop links within the community.

New Beginnings

This week we say a sad goodbye to Michael in Reception and give a warm welcome to Rhys & Jackson in Y2 and Ryan in Y3. We are praying for them all as they start this new chapter in their lives.

Cinema Night and Pantomime

The Cinema Night was enjoyed by all. A big thank you to the PTA for all their help with its organisation. There are still several outstanding payments for both the Cinema Night and the Pantomime. Please make these payments as soon as possible.

Athletics Competition

Many congratulations to the Y6 children who took part in the Athletics Competition at UCLAN last week. It was a great opportunity for friendly competition against other schools. Lea Endowed represented **Singapore**. Many other countries were represented and this was a great way of encouraging the children to think about our global community. We are delighted to report that we came 2nd overall in the Small School's competition.

Thank you for your support, *CM* Seagrave
