Spring Term – 10/01/20

Happy New Year to you all ☺ Unfortunately I was off at the start of this week, but the children were great and got straight back to work without me!

This Week...

Maths

This week we have been looking at co-ordinates including translating and reflecting shapes.

English

We have studying non-fiction texts and fact finding. We have also found out information about The Sun and written an informative paragraph.

Across the Curriculum

In R.E we have been talking about Significant Events – what they are and what they mean to us. Our History lesson has taught us about Propaganda and how it was used in World War One; we have designed and drawn Propaganda posters. In Art we studied famous artists such as Rembrandt and Picasso – we looked at their portrait drawings and analysed the styles they used.

Next Week...

Maths

We will be looking at measurement (temperature) and statistics including some links with our new topic on 'Extreme Weather' work in Geography.

English

We will be creating our own information texts based on the imaginary planet 'Pandora'.

Important Dates

- OPEN DOOR - Wednesday 3.20pm until 3.40pm. Please feel free to visit our classroom and ask any questions you may have.
- Borwick Hall Meeting for Parents – Wednesday 22nd January @ 6pm.
