

Hello Class 3! I have already had the opportunity to meet some parents, but for those that I haven't had the chance to meet, my name is Miss Shepherd and I will be teaching Class 3 now that Miss Morris has left to have her baby. It has been wonderful getting to know the children this week. I am so excited to help your children continue their journey at Lea Endowed in Class 3! They have been an absolute delight and I am looking forward to teaching and supporting them as they continue to develop and grow. I promote an ethos in my classroom where children feel happy, safe and are able to learn. Your child's learning is very much a partnership between home and school so if you have any concerns at all please contact me by telephoning the office or on my school email:

This Week...

This week we have we have started to look at a range of poetry relating to our current topic, Water. We have had the opportunity to listen to, read and discuss our opinions on a range of different poems as well as compose a class poem! In Maths we have looked at 2D shapes and their properties. In Geography and Computing we have been researching world rivers. This week's R.E. lesson continued our work on the Lord's Prayer; we have been exploring its origins and meaning in greater depth. In Art we have explored the works of Monet, Turner and Wilmslow Homer using different mediums!

****Please encourage your child to log on to TIMES TABLES ROCKSTARS at home.**

Next Week...

We will be continuing our work on poetry in English. In Maths, we will be focussing on using mental strategies to help us with calculations as well as lots of exciting work on rivers in Geography.
