A Spring Clean!

Welcome to edition one of our new format school newsletter.

We are always looking for ways to improve our parental links and communications, and felt it was time for a change.

In this digital age, with so much of our news being posted on our website and also social media, we thought the newsletter would benefit from a makeover!

You will still find future dates for your diary here, along with our Sandy Hill 'Stars of the Week', reading awards, attendance figures, phonics word of the week and other news.

We will also include a new section called 'Letters Home' which will give a list of letters sent home during the week.

We hope you like the new look newsletter and welcome any feedback.

In light of the recent bad weather and subsequent school closure, it seems a good time to promote [eSchools](#) and also their mobile app.

Here at Sandy Hill we use [eSchools](#) to send messages to parents in the event of the school being closed, cancelled sporting events, book parent evenings and

send letters home.

The eSchools App is available on both [Apple](#) and [Android](#), and will enable you to receive a notification direct to your mobile phone without the need for logging into the [eSchools website](#).

We are also investigating using the eSchools

platform more widely, for things such as reporting absence from school.

We are encouraging all parents and carers to install the eSchools app and to please make sure we have correct contact details for you.

Thank you.
