## Sandy Hill and Sustrans Family Fun Day & Vintage Fair

A week from now will be our Family Fun Day and Vintage Fair, and our Sandy Hill Academy staff will already have started to clock up the miles as their 24hr cycle challenge will already have begun!

The fair will open at 10am on Saturday 16th June.

During the fair there will be a chance to see the new classrooms. There will be a grand opening of the new building in September once all of the work has been completed.

The fair will continue until 2pm, which will also mark the end of the 24hr cycle challenge.

Please join us for this family day of fun events, whilst also discovering the benefits of sustainable travel.

We really want as many of you as possible to either cycle, scoot or walk to the event - and there will be a free raffle for those of you that come using any of the above methods.

The funds raised from this event, and also the 24hr cycle challenge, will go towards improving sporting facilities and our goal of providing an all weather

pitch that can be used by both pupils and the wider community.

We really do hope that you can make it on the day, however if not you can still support us by visiting our [JustGiving page](#) and making a donation.

In addition to this, we would also welcome donations of items for the event.

Donations of tombola prizes, pre-loved books,

vintage clothing or plants can be brought to the school office by Wednesday 13th June.

If you wish to donate cakes, all we would ask is that they do not contain nuts and are brought to school no sooner than 2pm on Friday 15th June.

We are really looking forward to seeing you all on the day and would like to thank you all in anticipation of your support.

### Year 6 Transition Days

Poltair and Penrice host their transition days on Monday 2nd & Tuesday 3rd of July. Year 6 pupils attending these days should wear primary school uniform and go straight to their chosen secondary school on these days. Thank you.

## News this week

It's hard to believe we've only been back at school for one week, as so much has happened already this week.

Firstly we'd like to share with you that Miss Canning got married last weekend and will now be known as Mrs C Kendall. Congratulations to you, and we hope you had a wonderful day.

On Monday our class photos were taken and we took advantage of the lovely weather by having the photos taken outside.

Tuesday was very upbeat with a whole school music assembly hosted by Tom from Rock Steady

Music. The Aspire Surf Games were also held at Tolcarne Beach on Tuesday, with several pupils attending.

Welcome meetings for parents of nursery and reception class children, due to start in September, were held on Thursday evening and it was great to see such a high attendance.

Surf club began on Friday. The children had a great time and are looking forward to the next session.

Finally Miss Bussandri has now started her maternity leave, with her baby due very soon. We all wish her well for the future.
