

22 September 2021

Dear Parent/Carers,

## **Harvest Celebration – Harvest Bread Making Workshop**

As part of our Harvest celebrations, we are delighted to confirm that our school caterers (Aspens) will be visiting school next week on 27<sup>th</sup>, 28<sup>th</sup> and 29<sup>th</sup> September to create Harvest sheaves in class with the children.

All classes from nursery to Year 6 inclusive will take part in this exciting activity.

If you are the parent of a child with an allergy (particularly gluten, egg or milk), your child may still take part in the activity however we will require your consent.

Children with allergies will be offered to either:

- Wear gloves/wash hands regularly in order that they can participate in the same activity as their class.
- Be provided with gluten free flour to undertake their own bread making activity which can be taken home.

Alternatively, if you have another suggestion, please contact the school office to discuss further.

There is no charge for this activity, however please complete the consent on ParentPay to confirm your child may participate in this activity and to state your preferred option, so that we can meet any allergy requirements your child may have. Please complete the consent before Monday 27 September 2021.

Should you have any questions, please do not hesitate to contact us.

Kind regards,

Mrs B Rundle  
Head of School
