Weekly news

A lot of the focus this week at school has been regarding staying safe and personal wellbeing

The week began with a whole school assembly from Mrs Matthews. She highlighted Safer Internet Day on Tuesday and made the children aware about online gaming and the importance of protecting our personal information when sharing information over the internet.

Each of the classes, from nursery to Year 6, have taken part in activities throughout the week on how to stay safe online.

It has been Children's Mental Health Week from 4th February, with Time to Talk Day on Thursday. Everyone was encouraged to start up a conversation regarding mental health.

The children have been learning about mental health and mental illness, with some very thought provoking discussions and have demonstrated some great ideas and techniques to overcome and challenge the stigma associated with mental health.

Our reception children were very excited on Thursday when they

enjoyed a visit from our local St Austell firefighters, who brought their fire engine in to school.

Finally on Friday, the whole school had an amazing day experiencing a skipping workshop run by Skip2Bfit. The children had a fantastic time and were encouraged to try and achieve a personal best, whilst also learning about the importance of a healthy diet. Both children and staff got involved, and the day ended with a special assembly to celebrate our great achievements.

Football & Netball Fixtures - Tuesday 12th February

On Tuesday 12th February we will be hosting football and netball fixtures at home to St Mewan. We anticipate the matches to start at 3:20pm, with an approximate finish time of 4:30pm.

Please note that due to these matches, there will be no football or netball club after school on Tuesday.

Thank you.

Bingo Cancelled

Sadly we have had to cancel the bingo, scheduled for this week, due to a lack of parents/carers to support our FOSHA group.

If you would like to support FOSHA with future events, please contact the office.
