This Week's News:

I would like to finish the year by thanking all of my staff and governors for their continued hard work and dedication. Their efforts along with parents' support have ensured that we have finished the year in a very strong position. I would like to thank all of the parents and adults that have provided the children with support outside of school. The school's end of year data has continued to improve and we are now above last year's national average in the majority of aspects across the EYFS and Key Stage 1 curriculum. During the past year, we have seen improvements in EYFS, Phonics Screening and Key Stage 1 data. As school, we have tried to offer children an excellent education supplemented with experiences such as: Mad Science Day, CSI Maths Day, World Book Week, Bedtime Stories and many more. I would also like to thank the special visitors we have welcomed into school this year. The children thoroughly enjoyed meetings athletes, veterans and actors. Our aim, as a school, is to continue to develop and improve our practice to ensure that we offer an outstanding education to all our pupils. As we move into next year, We will continue to teach basic skills to the highest standard and offer experiences that engage children and create an atmosphere where children gain a love of learning.

Thank you - I know I speak for all the staff when I say thank you to the parents and children of Hadleigh Infants and Nursery School; your kind words and generosity reminds us all of the difference we make to the lives of the children and families at the school.

Our Sports Awards were presented this week, congratulations to all the children who received this special award. These children were given a certificate and an Adventure Island ticket. I am already looking forward to hearing who will be the Sports Heroes for the Autumn Term.

We will be saying goodbye to Mrs Woolf today as she leaves us to pursue a career with the NHS. Mrs Woolf has been a valued member of staff for over 10 years, we are very sorry to see her leave but I am sure everyone will join me in wishing her all the very best for the future.

I would like to take this opportunity to say goodbye and good luck to our Year 2 children, on behalf of myself and all of the staff and Hadleigh Infants & Nursery School we wish you all well as you continue your educational journey at Hadleigh Junior School, keep working hard and striving to be the best that you can be.

Feedback - Thank you to all the families who returned the feedback forms and questionnaires. As previously stated, the results from these documents will support the school leaders in deciding our areas of development for next year.

Attendance - The Governors have worked with school leaders to produce a new Attendance Policy which will be in place as of September 2018. The new policy will be inline with new Central and Local Government procedures. A copy of the new policy will be attached to the newsletter email. You can also download the policy from the schools website. If you require a paper version of the policy, please ask for a copy at the main office.

After School Club - A letter about how to register your interest in using the after school club has also been attached to the newsletter email. A copy of this can also be found on the school's Facebook page. If you require a paper copy of the letter, please ask at the main office.

Finally, I hope that all of our children and their families have a wonderful, fun-filled summer. I look forward to welcoming you all back to school on Thursday 6th September, ready for the new academic year.
