Question of the week:

What is your favourite joke? Tell it to as many people as you can

This Week's News:

I would like to thank all of the adults who were able to attend Year 2's workshop this week. I have heard the workshop was enjoyed by the children, parents and staff. Next week Reception, Year 1 and Nursery will be completing their workshops (times and dates can be found on page one of this newsletter). We hope to see many of you at these workshops. Thank you for your continued support!

This week your child should have brought home a letter regarding the upcoming Parents' Evening which is planned to take place on Tuesday 11th February and Thursday 13th February. The sessions that take place at Parents' evening are designed to offer you an opportunity to discuss the academic and social progress being made by your child(ren) with his/her class teacher. Due to the large number of children in the Nursery, Mrs Bennett will be meeting parents from 1pm on Tuesday 11th February and Thursday 13th February. If your child has yet to bring home this letter, please contact either your child's teacher or Mrs Reader at the main office.

I would like to wish the children, from Year 2, who will be performing at The Palace Theatre next week the best of luck for their performance. The children have been practicing very hard and we are looking forward to meeting the parents who are able to watch.

I am pleased to announce that we will be offering childcare during the up-coming INSET days, Friday 19th June 2020 and Monday 22nd June 2020. Due to staffing numbers, the provision will be limited to 30 children. We will also continue to offer some childcare at the beginning of the Summer Holidays. Unfortunately, whilst running the club during the past two summers, the school has made large financial losses. Although we recognise that the club meets the needs of some parents, we must weigh up this service with the needs of the school. As a result, we will be offering the Summer Club for the first two days of the holidays only (Thursday 23rd July and Friday 24th July). I fully appreciate that this may not meet the needs of all parents but it is a compromise to provide some support and protect the school from larger losses. If you would like further information or would like to book any of the sessions please contact the school's main office.

E-safety - Each week we will be providing some information, from the NSPCC, regarding apps and games that children may access.

App Name: Clash Royale

Official age rating: 13+

App information:

Clash Royale is a combat multi-player game where players can build their own battle communities. There's also a text chat feature where you can talk to other players. Clash Royale currently doesn't have voice or video chat and you can't send images.

Expert view of the risks...

For further information on and other games please follow the link: <https://www.net-aware.org.uk/networks/?order=title>

Or alternatively you can find further guidance and support on the school's website: <https://www.hadleigh-inf.essex.sch.uk/web/esafety/318492>
