

Nursery News

January 2017

Welcome back

We hope that you all had a very lovely Christmas. The Nursery staff have enjoyed hearing the children's news and stories about visits from Santa and his elves. Thank you very much for all your cards and presents.

Reception Admissions

Not all Nursery parents have applied for a place in Reception next year. We are aware that some children may be moving to another school but if anyone still needs to apply for a place at Hadleigh you should do so this week.

Funding Forms and Census Information.

We apologise for the amount of forms that have to be completed at the moment but unfortunately this is a DfE requirement and the forms are not generated by the school.

We would be grateful if all parents could return the funding and census forms to the Nursery as soon as possible.

Book Week

The topic in Nursery during week beginning 23rd January will be Books. We would like all children to bring in a favourite book that they can talk about and share with others. Please write your child's name in the book so that we can make sure they are safely returned.

We will also be asking different people to come in to Nursery to read a favourite story to the children. If you would like to come in during one of our sessions to participate in this we would love to see you. You can bring in a favourite children's story of your own or read one that has been brought in by someone else.

Thank-you

Extra Sessions

Invoices for regular, extra sessions have just been sent out. Please could you pay these as promptly as possible. Many thanks to those who have paid in advance

Parking

We have been informed that, due to on-going issues with parking, Essex County Council will be sending a parking attendant to Bilton Road during the next few weeks. If you can avoid parking in Bilton Road this would obviously be the best solution but if you do park there please show concern and regard for the local residents and the safety of our children.

PE Days

This term we will continue to have PE with a teacher from the Deanes School on Monday and Thursday mornings. We do take off shoes and socks for these sessions in the hall. We have been very pleased by how independent many of the children are becoming in getting themselves ready and then putting their shoes and socks back on. Many thanks for your support with that.

We also have hall time on a Tuesday afternoon and Wednesday morning led by our own staff. We do not change for these.
