This Week's News:

Break time snacks - Could I remind parents to provide small, healthy snacks for the children to eat at break time. A piece of fruit, vegetable sticks or plain breadsticks are sufficient. Staff have noticed that some snacks are so large that the children are struggling to finish them in the time they have for break, ideally the children should have time for a quick snack and time to play and socialise with their friends. Children do also have the opportunity for an additional snack, fruit or vegetables which is provided by school.

Our second Bedtime Stories event proved even more popular and enjoyable as last years'. It is an event that is enjoyed immensely by myself, the children and all of the staff who stayed in school in order to welcome the children, read stories and serve milk and biscuits. Thank you to all of those that transported the children to and from school on Wednesday evening, events like these depend on the support of parents and carers as much as staff.

We have been advised that the pupil photos will be delivered to school on Monday 10th December, they will be given to classes for the children to bring home. Depending on what time they are received, this will either be Monday or Tuesday next week.

Reminder - Next week will be the last week for Drama, Dance, Clay & Film Clubs. We intend to run another set of extra-curricular clubs from January, details of which will be sent home at the beginning of next term.

Tuesday will see the first of our Christmas Productions, the children have been completing their dress rehearsals this week. This is giving the school a very festive feel as the whole school can hear them singing and practising their lines. We are looking forward to performing for you all next week. Due to health & safety reasons we are unable to accommodate younger siblings in the hall during performances, there is a crèche available if you are unable to make alternative childcare arrangements.
