Book Week

If your child has a favourite book at home we would love them to bring it in to share with the class. Please name the book.

World Book Day

Thursday 5th March

The Nursery children are invited to dress up as book characters, along with the rest of the school.

Incidents

In the Nursery, we always try to operate an open door system for communicating with parents at the beginning or end of sessions. This is very important to us as we recognise that sometimes children of nursery age can be less likely to tell us about incidents that might have happened. If you have any concerns linked to an incident, please find an appropriate time to talk to one of the Nursery Team who will be happy to help.

PE Activities

Ducklings are currently participating in PE activities most days of the week. It would be helpful, therefore, if children could wear jogging bottoms or leggings and shoes with zips or velcro fastenings.

Girls with pierced ears should have their earrings removed or taped for all sessions please.

Dinner Money

Please could we remind all parents that dinner money is payable in advance. You are welcome to pay a lump sum at any time which can be held on your account or pay on the morning of the meal.

Dates

Thurs 5.3. - World Book Day

Mon 9.3 - PA Mother's Day Sale

Tues 10.3 - Science Day

Fri 13.3 - Sport Relief

Thurs 2.4 - Easter Lunch
