

JYS Primary School

# JYS News

7th January 2022

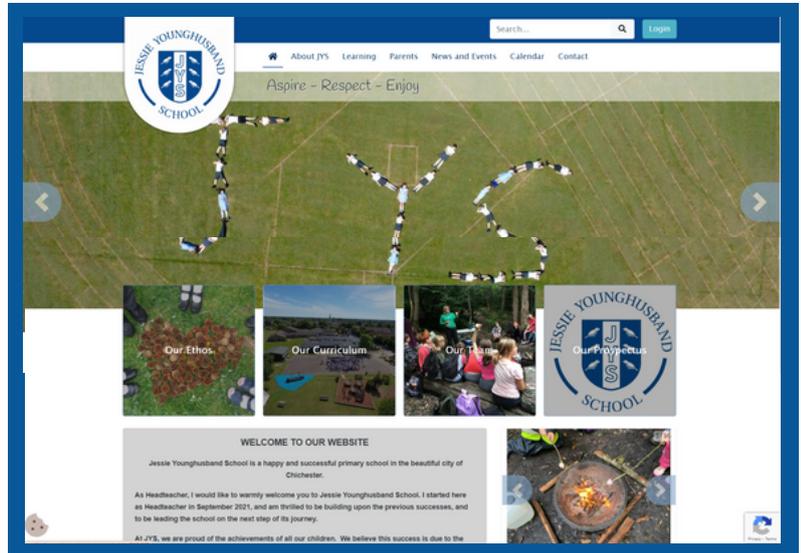

## New Look Website!

We are thrilled to announce the redesign of our school website. Over the past few weeks we have been working with our provider to refresh our site to give it a new look and make it easier to navigate.

Please take the time to have a look at the redesigned website at:

[www.jys.org.uk](http://www.jys.org.uk)

## Covid-19

Thank you for all your support this week on the return to school, just to remind all parents / carers:

- We would like to continue to strongly encourage all adults who are dropping off or collecting children to wear a mask whilst they are within the school site (unless exempt).
- Where possible, we are also asking you to limit the adults dropping and collecting your child/children to and from school. If this presents you with any difficulties, please contact the office and we will discuss arrangements with you.

## JYS Friends

The final Book Swap total has been confirmed at a huge 474 new books for our school library (along with each child choosing a book to take home) with £260 funds raised to be used for covers to make them last longer. This is such a huge boost for the school, thank you very much for your support with this event.

We have planned a Second Hand Uniform Sale for Friday 28th January (weather permitting). Also, if you have any Christmas Jumpers that won't fit your child next year (or adult jumpers) please donate these to the box just inside the Hut - all items will be £1.

## Diary Dates

Attached to this weeks email is a calendar of events for the coming term.

We have tried to make this user friendly and something parents can 'stick up on the fridge' as a guide.

We will reissue this as guidance changes and we hear back from places we have contacted regarding trips and visits.

## Welcome back...

A Happy New Year to everyone! We hope you all had a relaxing and healthy Christmas.

It has been fantastic to see children back on site, the school fully open and children engaged with learning in every classroom. Many Year groups have begun new topics for the term and curriculum letters outlining these can be found on the website.

The start of a New Year is always a time for reflection and all children across the school have participated in assemblies looking at why mistakes are important, what we can learn from them and how we can make different choices this year.

Children across the school have been full of energy, focussing well and enjoying seeing their friends, the playground has been buzzing with activity and lunchtime sports has restarted with Mrs Dutton taking the lead.

We are all looking forward to the term ahead.
