

What we would like to see happen next:

- * We would like to see the new class award started up.
- * We would like an anti-bullying leaflet given to each child in the school and have it explained fully.
- * We would like each child to sign up to this anti-bullying campaign.
- * We would like a copy of this child friendly behaviour policy given to each child. Parents or buddies could read it to the little ones.
- * We would like this policy to be the basis for each class charter.
- * We would like each child in the school to learn the STOP message to get rid of bullying.

STOP-Several Times On Purpose.

St. Catherine's Catholic Primary School

Child Friendly Behaviour Policy
(Written by children)

Summer 2016

Why this policy is important to us:

A policy helps everyone to know what we expect at St. Catherine's. It is important that the children help to write it because we are part of the school family and each child needs to know what is acceptable behaviour.

What happens if we behave well?

- * We can expect to have a very happy school!
- * We can expect lots of praise.
- * We may receive house points.
- * We may receive a sticker.
- * We may receive a certificate.
- * We could receive a "class award"- voted for by children in our class. It would be given each half term and would be given for being "an outstanding friend to others".
- * We could be given some "Golden Time"- when we can choose our own activity for an hour or so on a Friday afternoon.

What can we expect to happen if we don't behave appropriately?

- * Firstly, we get a verbal warning and someone will explain our mistake and point out how we should be behaving. This could be an adult or a child and we should take notice. We should apologise for our mistake.

If we continue to make the same mistake and don't change our behaviour, we can expect to:

- * Miss playtime minutes.
- * Write a letter of apology during playtime.
- * Put right what we have done wrong (like clean up a mess we have made).
- * If it is a serious matter, we may be sent to the Head or Deputy Head teacher.
- * Our parents will be told if the behaviour occurs often.
- * Our parents will be told, on the day, if we hurt another child on purpose.

Our School - What we want it to be like:

- * Our school is special.
- * We love our school.
- * It is a happy school where respect is very important.
- * We follow the teachings and example of Jesus who asked us to love our neighbour as ourselves.
- * We are all precious.
- * We are all different.
- * We all have gifts and talents.
- * Everyone is equal and should be treated with respect and kindness.
- * All children should want to come to school and be happy when here.
- * We want our school to look outwards towards others in greater need and try to make a difference to their lives.

How we should behave:

- * We should behave in a respectful way towards others and be thoughtful.
- * We should have pride in our learning.
- * We should encourage others and use kind words.
- * We should respect the views and opinions of others.
- * We should respect the property of others.
- * We should respect ourselves and our appearance.
- * We should always tell the truth and "own-up" if we make a mistake.
- * We should not swear or use rude language.
- * We should look after our classrooms, cloakrooms and all areas of the school.
- * We should be grateful for our lovely school and grounds. We should keep in mind that others are much less fortunate.
- * We should respect all school staff who work hard to look after us and help us learn.

Behaviour we will NOT accept at our school:

- * We will not accept any form of bullying.
- * We will not accept bad or rude language.
- * We will not accept any child being injured or hurt by another child. This includes hurting feelings.
- * We will not accept damage to other people's property.
- * We will not accept invasion of privacy such as looking in another person's bag or tray without their permission.
- * We will not accept any lack of respect for a person's culture, religion or skin colour.
