**Our mission statement**  
**written by year 6 2015 – 2016**

- To have a school where we believe in God and respect everyone by living in the Christian way.
- To accept that everyone is different but that we are all as important as each other and are all special in our own way.
- To make sure that every child has the opportunity to reach their true potential. This will be achieved by giving everyone the support they need and the opportunities to succeed.
- To help each child to learn and therefore be prepared for their future. To develop their confidence and help them to live as good Christians.
- To treat everyone, children and adults, with respect and in a way that they would like to be treated themselves.
- To help children understand that they have rights but that with those rights come responsibilities.
- To be thankful to God for creating us and all the wonderful things around us. He did this because he loves us unconditionally.
- Respect and accept other cultures and faiths. Treat everyone with kindness and compassion, understanding that we are all entitled to our own beliefs.
