Friday 23rd June 2017

Dear Parents/Guardians

IMPORTANT NOTICE

NEW SUMMER FAYRE DATE

Friday 14th July 2017

3.30pm – 6.00pm

Please note the Summer Fayre on Saturday 8th July 2017 has been cancelled.

We will now be holding a Summer BBQ on Friday 14th July 2017 which will commence after school until 6pm. The Summer BBQ will showcase our Anney's Got Talent Finalists, and provide an opportunity for our extremely talented children to perform their dance routines learnt in the school dance class, and their voices practised in the school choir. It will also still have lots of fun things for you all to get involved in such as bouncy castles, face painting and games; not forgetting ice cold Pimms, cold beers and beautiful BBQ (to include some fantastic vegetarian options)! All funds raised from the Summer BBQ will go towards purchasing the induction hobs for the cooking room. Once we have purchased these, your children will be able to bring home some lovely freshly-baked nibbles for you and really make use of our new cooking room. We still need volunteers to help with our BBQ, so please fill out the attached slip if you can help.

A letter will be sent out to all Anney's got Talent finalist providing the new arrangements, so please do not panic! This will reach you next week.

The PTA would also like to take this opportunity to notify you of a few changes to the PTA that are being implemented to create a community and unite the School, Parents, and Teachers. As you are all aware through your hard work, support, and assistance in all the fantastic events the PTA have run this year, the PTA work throughout the year to provide resources and funding to the children, however we feel this isn't enough and we can do more. A key starting point for us is you, the parents/guardians. We feel it is essential that you are aware of why, and what we are raising money for, and that you see how these brilliant events we hold are benefiting your children. Pushing forward, at the beginning of the academic year we will provide all Parents/Guardians with a calendar of events that includes all events scheduled for that academic year and have been organised by the PTA. You will also be provided with our fundraising targets.

The PTA, with your support, would like to allocate a new fundraising pot that provides funds to help ensure Anney are able to provide a school trip to each academic year, and we feel by providing events for this purpose only will help ensure school trips are able to proceed. You will also be notified at the beginning of the academic year which events will be providing money towards this cause.

As a PTA, we are committed to making the school a better learning environment by providing essential resources that government funding does not cover. It is only with your input that we can make this happen. We encourage any ideas, and will ensure we do our best to work with both you and the school to make our children's learning process the best it can be. There will be a questionnaire sent out before the end of term which will give you the opportunity to put forward any ideas or areas you feel could be improved with extra funding from the PTA, all suggestions will be considered and we are hoping this will help us work together to provide the best resources we can for the education of the children and success of the School.

Thank you for all your support

The PTA Team

Summer Fayre Volunteers – we need you!

Friday 14th July 2017

3.30pm – 6.00pm

The PTA would appreciate any help and support we can have to help make the Summer BBQ fun and successful and allow us to cram it lots of exciting activities for you and your children to do during the event!

We also want you to be able to enjoy it as much as possible, so don't expect everyone to be able to volunteer for the entire duration; however every hour you can spare means we can add another fun-filled game or activity for the children to make our Summer BBQ great!
