Diocese of Arundel and Brighton

13th July 2018

Dear Parents and Carers,

I am writing with excellent news for the pupils at Annecy. As you may be aware, the Year 6 SATs results have been published and we will be sharing the individual results with the pupils and their families.

The highlights for the whole school are below;

- In 2018 KS2 attainment **increased by 26%** as Reading, Writing, and Maths combined rose from 43% to 69%; it was also higher than the 2016 result of 61%.
- Reading 86% (National Average 75%) – **increase of 10%** compared to 2017
- Writing 76% (National Average 78%) – equal to 2017
- Maths 76% (National Average 76%) - **increase of 31%** compared to 2017
- Grammar, Punctuation and Spelling 83% (National Average 78%) – **increase of 24%** from 2017

We believe with these results we will be in a much stronger position locally and nationally and have a firm foundation to build on for the success both next year and in the longer-term future.

I would like to take this opportunity to thank Mr. Gallagher and all of the team at the school for the hard work, dedication and commitment in providing the best opportunities to learn, inspire and engage all the pupils in the school.

I am aware that all the pupils have met their new teachers for next year and we are looking forward to welcoming the great new staff to join the team at the school. We are very proud of the hard work of all the pupils this year, especially those in Year 6 who achieved these SATS results. We wish them every happiness and success as they prepare to move to secondary school next term.

Can I wish you all, as families, a happy and restful summer break at the end of term and we will look forward to welcoming you back to Annecy in September.

Yours truly,

A handwritten signature in black ink that reads 'Rob Carter'.
