

# Teaching & Learning

at Trenance Learning Academy Trust

## Pace

There is no  
"do nothing" time

We teach with pace to keep all pupils engaged and motivated

## Purpose

We know why we are learning what we are learning

Every activity has a clear purpose and learning intention

## Participation

We all take part in our learning 100% of the time

Every child is engaged in every part of our teaching

## Passion

We love learning and get excited when we learn new things

The greater the passion the faster the progress

## Praise

We celebrate our learning every day

We use praise phrases and actions to encourage pupils with their learning

## Perseverance

We never give up!

We persevere so that every child can reach their potential
