

Hughenden Primary School

Working Together, Empowering Lives, Enriching Minds

28th November 2016

Dear Prospective Parents,

Following feedback from our recent Open Mornings, we are writing to update you with regards to our school expansion programme.

As you will probably be aware, we are growing into a single form entry primary school. This means our current intake has increased from 15 children to 30 children. Our Foundation class will continue to be supported by a Class Teacher, an LSA and an Apprentice.

We are very excited about our school expansion which will provide 3 new classrooms, a link corridor, a bigger staffroom, meeting room, ppa room for teachers and storage facility off the school hall.

The build has been delayed slightly but is due for completion mid to end of January 2017 after which children will move into their new classrooms. The Foundation children will stay within the same area utilising the outdoor learning area to its full potential.

For anyone wishing to book an individual appointment, please do give us a call and we'd be happy to give you a tour on a 1:1 basis. We apologise for not being able to do this during the Open Day but due to the large numbers of parents attending it just wasn't possible.

We wish you well and hope your child's transition to school is a positive experience for you all. If you have any questions or queries please do give us a call, we're happy to help.

Yours Sincerely

Sarah Leighton
Headteacher
