

Primary PE & Sport Premium Funding - Actual Impact

2016 - 2017

How did St Margaret's Academy spend the money and what was the impact?		
Total amount of SPG received = £9,755		
Use of funding	Cost	Actual Impact
Buy into Torbay Primary School Sport Partnership and CPD opportunities in Torbay	£3,355	<p><u>Professional Development</u></p> <p>Staff training is recognised as being the most effective way of raising standards in any subject. The CPD and support provided by Emma Truscott (SSCo) and the INSET training has had an immediate impact. The training resulted in raising the standard of teaching and learning in all aspects of PE (especially in the focus sports) and an increase in staff self-confidence to integrate dance more in PE. This helped to ensure pupil progression across the school and improve the level of attainment by all pupils in PE.</p> <p>The PE Co-ordinator (Mr Mayling) supported members of staff in PE lessons by providing useful resources to ensure high quality lessons. All staff are made aware of INSET training in PE and the PE Co-ordinator also attended INSET sessions based on the focus sport festivals. A Dance teacher worked alongside Y5 - Y6 staff to provide high quality dance lessons. In addition, teachers were given access to a scheme of work and lesson plans to ensure the input had a lasting and ongoing impact.</p>
Premier Performing Arts delivered dance lessons to Y5 -Y6 (22 hours of curricular dance)	£1,001	
Employing qualified local coaches to provide alternative sporting activities and extra-curricular sporting opportunities.		<p><u>Sporting opportunities and experience</u></p> <p>St Margaret's children have been given the opportunity to take part in alternative activities that they have never done before. These activities have included archery and fencing experienced by some of our KS2 children. We are proud to be able to offer free after school club places to our KS1 & KS2 children. Employing Premier Sport and Kinetic Sports to deliver a multi-skills club ensured that our after school sports club provision included at least one sports club available to every year group. Multi-skills is a focus sport and led on to</p>
Premier Sport - KS1/2 after school club (multi-skills)	£500.50	
Kinetic Sports Group - KS1/2 after school club (multi-skills)	£666	

		competitions with other schools. St Margaret's entered all of the Torbay family cluster competitions and festivals eligible to us. St Margaret's was the only school in its cluster to achieve 100% festival attendance in 2016/17 and we competed in 11 sporting competitions in addition to our football and netball fixtures.
Netball coaches - Y4 -Y6 Netball Club	£694.80	Employing netball coaches to provide an afterschool netball club. Increased participation in netball. A permanent Y5-Y6 netball club has now been set-up by Mrs Price and St Margaret's have entered a team into the Torbay Schools League.
Premier Performing Arts - Dance Club	£500.50	Employing Premier Performing Arts to provide an after school dance club. Increased participation in dance. Dance is a focus sport and led on to a dance festival with other schools. Due to its popularity, the PE & Sport Premium has been used again to fund the continued provision of Y5 - Y6 dance club.
Kinetic Sports Group - Alternative Sports Club	£306	The school targeted the Inactive and gave opportunities that attract less active young people to participate in physical activity and alternative sports. Employing Kinetic Sports Group to provide an Alternative Sports Club gave opportunities for the less active to experience different sporting activities such as fencing and archery which were based on participation rather than competition.
Premier Sport - Before school Gymnastics Club	£1,137.50	At St Margaret's we encourage exercise before school and we believe that it can help improve pupil's attentiveness and concentration in lessons. We payed Premier Sport to deliver a before school gymnastics club to Y0 - Y6.
Premier Sport & Kinetic Sports Group - Lunch time Activity Club	£1,451.50	There has been a positive improvement in behaviour during and after lunchtimes due to paying for a sports coach to run a lunchtime activity club three days a week. This provided an opportunity for pupils to be active in a more structured yet fun and safe environment.
Paying Music for Change company - Olympic Games and Values workshops.	£500	At St Margaret's we believe that links with other subjects contribute to pupil's overall achievement and their greater spiritual, moral, social and cultural skills. We payed Music for Change company to deliver a Dance/Art/Music workshop to all KS1 and KS2 children. The theme of the workshops was the Olympic Games and links were made across Art, Music and PE. Strong, sustainable, effective links

		were made to the 2012 Games Legacy and Olympic and Paralympic Values. This exciting activity ensured that we continue to build on the legacy of the 2012 Olympics and recognise the importance of upholding the Olympic and Paralympic Values across the school. We strive to continue our very full commitment to PE and school sport.
Total expenditure to March 31st	£10,112.80	
SPG over spend	£357.80
