

Primary PE Sports Funding - Actual Impact
2015-2016

How did St Margaret's Academy spend the money and what was the impact?		
Total amount of PPSG received = £9765		
Use of funding	Cost	Actual Impact
Buy into Torbay Primary School Sport Partnership	£3,360	<p><u>Staff In-service Training</u></p> <p>Staff training is recognised as being the most effective way of raising standards in any subject. The CPD and support provided by Emma Truscott (SSCo) and the INSET training will have immediate impact. The training resulted in raising the standard of teaching and learning in all aspects of PE and an increase in staff self-confidence in the delivery of PE. This ensured pupil progression across the school and improved the level of attainment by all pupils in PE.</p> <p>The PE Co-ordinator (Mr Mayling) worked alongside members of staff in PE lessons to ensure high quality lessons. All staff are made aware of INSET training in PE and the PE Co-ordinator also attended INSET sessions based on the focus sports.</p>
CPD	Nil	
Free CPD opportunities in Torbay	Nil	
Gymnastics INSET for all staff - Premier Sport	£152	
Employing qualified local coaches to provide alternative sporting activities and extra-curricular sporting opportunities.		<p><u>Sporting opportunities and experience</u></p> <p>St Margaret's children will be given the opportunity to take part in exciting activities that they have never done before. These activities have included skiing at Torquay Ski Slope and martial arts with Mr Kelly experienced by all of our KS2 children. Employing Premier Sport to deliver a multi-skills club ensured that our after school sports club provision included at least one sports club available to every year group. Multi-skills is a focus sport and will lead on to competitions with other schools.</p>
Weekend Skiing FS-Y6 (alternative sporting activity)	£1,120	
Premier Sport - KS1/2 after school club (multi-skills)	£637	

Football coach - Academy Soccer Camps	£763	Employing Academy Soccer Camps to provide an afterschool girls football club. Increased girl participation in football. A permanent Y5-Y6 girls football club has now been set-up by Mr Mayling and St Margaret's have entered a girls team into the Torbay Schools League.
Paying A Life Health Education Company	£895	The importance of teaching children about how to live a healthy lifestyle is taken very seriously at St Margaret's. Great stress is placed on the need to eat healthily, take daily exercise and sleep properly. A substantial sum was spent on bringing in the A life Health Education Company to enhance our healthy living message. All children from Foundation to Year 6 took part over two days. Pupil awareness and responsibility and the benefits of exercise and nutrition were just some of the topics covered. In addition, teachers were given follow up activities and access to a scheme of work to ensure the input had a lasting and ongoing impact.
Paying West End in Schools	£250	At St Margaret's we believe that links with other subjects contribute to pupil's overall achievement and their greater spiritual, moral, social and cultural skills. We payed West End in Schools to deliver a Dance/Literacy workshop to all Foundation and KS1 children. Links were made across Literacy and PE. This exciting activity ensured that whole school targets were met more effectively and had an impact on whole school priorities (Literacy).
Purchasing play equipment for lunchtime	£500	<u>New PE Equipment and Resources</u> Among the new equipment bought was: play equipment for lunchtimes - hula hoops, mini football nets, all kinds of bats and balls was just some of the equipment that was purchased. The new equipment ensured that the children at St Margaret's had access to a range of play equipment helping them to have a fun and safe play time.
Purchasing the Skills2Achieve assessment tool and schemes of work (Youth Sport Trust)	£695	A simple to use assessment tool was identified to support staff in planning lessons that would help ensure progress is being made with all pupils. Progress in PE is monitored and provision is provided to raise standards where needed. There is a sound assessment process and we continue to develop staff confidence in assessing pupil's progress in PE.

Fencing for Ball Court	£740.50	The new Ball Court fencing for games and sport in PE lessons and at break times ensured that the children at St Margaret's had access to the resources required for the delivery of high quality lessons in PE. It also provided a safe and fun learning environment and engaging learning experience offering more opportunities for different teaching methods.
Paying Premier Sport for specialist Play Leader training	£152.50	20 pupils received a half-days training to become Play Leaders and to promote physical activity at lunchtimes. The training resulted in developing their leadership skills and a positive improvement in children's behaviour during and after lunchtime's due to a more structured yet fun and safe play time.
Securing time for Lunchtime supervisors to undertake Play Leader training		All the MTA's received a half-days training in play at lunchtimes. The training resulted in raising the understanding of positive play and an increase in staff self-confidence in the delivery of positive play at lunchtimes.
Paying for transport to fixtures and festivals. Football, Netball, Athletics, Handball, Volleyball, Swimming, Tag Rugby, Mini Red tennis, Rounders, Cricket, Multi-skills	£500	<u>Transport</u> A small amount of money was used to help pay for transport to fixtures and festivals. The transport enabled St Margaret's to enter all of the Torbay family cluster competitions and festivals eligible to us. St Margaret's was the only school in its cluster to achieve 100% attendance to all the level 2 competitions in 2015/16. We strive to continue our very full commitment to PE and school sport.
Total expenditure to May 31st	£9765
