

Spring Term Newsletter No.11

Another snow day this week! As the sun shines today it seems incredible that we had so much snow at the start of the week. It would be good to think that that was the last of it but it's possibly not according to the forecasters—let's hope it snows only in school holidays from now on!

This week has been a busy one, catching up on lots that the snow has postponed. World Book Day took place on Wednesday and the children enjoyed the many reading linked activities through the day. Thank you to the parents who came in to KS1 to share story time too. Please check Twitter for photos.

Today is Sport Relief and the school has been full of active children. Hopefully we have worn them out for you and they will sleep well tonight! We raised just over £270. Thank you.

Well Done!

The Family Learning group have finished their current course, Keeping up with the Children: Literacy. Watch out for further courses starting next term.

We are very proud of this week's Star Pupils:

Ash— Sienna is so enthusiastic about her learning and always tries her best.

Miley practises all the new skills she learns at school and at home and listens to advice to improve.

Elm—Anton is really independent using cueing to spell words, writing the letters he could see being signed.

Toby R is a super dooper Tryatops in his learning! He is always ready to join in and apply new skills.

Beech — Isla has an amazing approach to her learning, especially in her work on 'Measures' this week.

Pine — Maisy-Beau has a consistently fantastic attitude in all areas of learning. Well done, Maisy!

Apple — Oscar is aspirational in his maths and is determined to do the best he possibly can. Great attitude!

Oak — Zain has developed a better attitude to his learning and shown great improvement in his handwriting.

Birch — Eleanor's superb "student assembly" on owls was interesting, interactive and informative. Thank you!

Rowan — Alana always tries hard and has made great progress in many subjects recently, particularly maths.

Cherry — Amara has had excellent focus in her learning this week. Keep up the super effort!

Maple — Marlena is really enthusiastic about writing and we are looking forward to reading the final piece.

Holly — Jasmine always tries her best in everything she does. We are very proud of her.

Willow — Ashton has taken more responsibility for himself and his actions and been more proactive in his learning.

Hawthorn — Lilly-Ella has had an excellent attitude to her learning this week and been a real role model.

Hazel — Lewis has been making excellent choices and showing excellent participation. Well done!

Diary Date Reminders:

Tuesday 27th Festival of Performing Arts

Wednesday 28th KS1 Easter Bonnet Making afternoon

Wednesday 28th—**SAY IT WITH STRIPES!** See below—let's make this an amazing day for Frazer.

Thursday 29th—Parent Drop In until 3:30pm

Friday 30th March—First day of Easter Holidays

Monday 16th April—First day of Summer Term

Attendance Award

Congratulations to

Apple Class

for winning the School Attendance Award with 99.7% attendance.

You have won a Non Uniform day on Monday 26th March for winning the award three times!

All about Frazer

Frazer is 5 years old and is a member of Elm class. He is full of smiles and is a super strong and brave little boy. He loves his big brother Alfie and they have great fun together.

Frazer loves school and spending time with all his friends in Reception. Everybody enjoys exploring and learning with Frazer. He is so gentle and kind.

Frazer's best friend is Stripy (our cuddly class tiger) who follows him wherever he goes. Both Frazer and Stripy love the colour yellow!

Say it with Stripes!

We invite you to support us in raising money for Frazer and his family. On Wednesday 28th March all children are invited to come to school wearing something yellow or with stripes (why not try and be a tiger for a day!) and we will all enjoy a special feast fit for a tiger at lunchtime. Please send in a donation towards Frazer's Just Giving appeal. Every penny helps!

The children in Reception and Year 3 will be busy creating wonderful crafts which they will sell at the end of the day and we will also be hosting a cake sale after school – we would appreciate your donations of cake for this event.

Just Giving

Frazer's family have launched an online fundraising appeal to enable them to ensure they can support Frazer with his medical needs:

"We're raising £12,000 to help Frazer get the most specialised equipment needed to make him comfortable and make more amazing memories."
