

Summer Term Newsletter No. 10

We have had a superb week (just a shame about the downpour today which has postponed our sports until next Thursday). For the first three days of the week each class focused on a different country and learned about the culture through finding out about the people, their food, the Arts, their Olympic history, etc. The school was full of amazing sights, sounds and smells as the children made props for their Opening Ceremony and cooked up food from around the world; the banana chips coated in cinnamon from Jamaica were delicious! (Recipe on our Twitter page if you fancy having a go at making them)

The Opening Ceremony was a huge success with the children dancing, singing and playing instruments; we saw an Italian Tarantella dance, a Japanese fan dance, a Greek Dance; we heard songs from South Africa, children chanting a haka from New Zealand and drums from around the world.

The afternoon's carousel was great fun and the children loved it! There was a lovely range of activities for them to try and it was great to see their enthusiasm as they crawled under things, climbed over things, dribbled footballs, aimed at targets, fell over in the three legged race, etc.

We have put some photographs in this newsletter but have uploaded more photographs to our Twitter page for you to look at.
