NATIONAL WALK TO SCHOOL WEEK

Dear Parents,

National Walk to School Week is **20 – 24 May**. As always we shall be taking part and using the week to try and encourage more people to walk (all the way or park and stride/walking bus), cycle or scooter to school, not just for this week but all the time.

Each day in the classrooms, as always the children will use Travel Tracker to record how they came to school. We obviously do not want to exclude those children who have to be driven to school and so we would remind you that each morning we run the Walking Bus from the layby on the A272. This leaves at 8.50am.

Children who manage to walk, cycle, scoot or use the walking bus at least twice in the week will receive a special sticker. They will also during the week be preparing a piece of work about how they come to school, which we will be sending to our link school in Nyaluru, Kenya.

We hope that as many of you as possible will be able to take part. Thank you for your support; this initiative contributes to both our Healthy School status and the maintenance of our Travel Plan.

Yours sincerely

A handwritten signature in black ink that reads "Sally Dreckmann".
