This month's value for life: CREATIVITY

Tuesday 15th May 2018

Dear Parents,

Thank you for supporting the wonderful MacMillan cake sale which raised over £150, contributing to a fantastic £1172 raised for this special charity – well done to Mrs Holmes and huge thanks to everyone who helped.

Some important messages from our Year 6 pupils:

Dear Parents,

On Friday 18th May, Year 6 will be holding a cake sale to raise money for Christian Aid to help people who live in poverty and suffer from natural disasters. This will take place in the small playground where you usually pick up your children; we would appreciate it if you would support the charity by giving us a small donation, and in return we will provide you with a mouth-watering, delicious cake.

From Year 6

All parents are invited to attend year6 cake sale on Friday 18th of May on the small playground, in aid of Christian Aid.

Christian Aid is an amazing charity that's helps people that have survived natural disasters including Bangladesh Cyclone, Ebola and the Indian Ocean tsunami or wars like Afghanistan, Syria and Iraq.

There will be delicious cakes including red velvet cake pops, lemon drizzle and mouth-watering brownies. Please give money to the people around the world.

Dear Parents,

On Friday we (Year six) will be hosting a cake sale to support Christian Aid. Christian Aid is a charity that helps families in poverty and in despair. This week is Christian Aid week and they are basing it on two children in Haiti who had faced harmful emergencies (earthquakes, hurricanes) and they survived. Christian aid helped them to build houses and now they're happy again. All you need to do is bring money and buy a cake and you could help a person in need. Our cakes are guaranteed to be mouth-watering and delicious: you will be coming back for more. With a range of brownies to lemon drizzle there is something for everyone! The sale is on Friday 18th May 2018 from 2:45pm. There are no specific prices, just donations.

BRING MONEY!!!!!!

School Photographs

Preview copies of class photographs can be seen in the foyer and in Buttercups.

Ukulele and Summer Concert: Wednesday 11th July, 2:15pm

Sorry everyone but I am unable to teach Ukulele this Friday 18th May; please keep practising and we will catch up on the missed lesson. On Wednesday 11th July we are going to hold a special summer concert where our wonderful, talented pupils will perform music on ukulele, guitar and cello – plus there will be a few more surprises!

Bikeability

Year 6 pupils will take part in safer cycling training next week. Please can Year 6 parents return any outstanding permission forms. Please bring bikes into school by Monday; they can be left at school for the week. On Monday the instructors will inspect pupils' bikes which are expected to be in roadworthy condition with working front and rear brakes – more details are in the information we sent home from the Bikeability team.

SATs Tests

Children in Year 2 are taking reading and maths tests over the next two weeks. These tests are used to help inform teacher assessments. Mr Chapman has worked hard to ensure that the children do not feel stressed or pressured by the tests; they are doing really well so far. Year 6 pupils have worked incredibly hard already this week on their SATs tests. Thank you for such great support as ever; the children are very well-prepared and they are working well with excellent focus and determination – they are doing us proud.
