

## Literacy & Communication & Language

- Beegu: exploring characters and feelings, writing letters and postcards.
- Reading and writing non-fiction about Space.
- Phonics with Song of Sounds.
- Learning 'precursive' letter formation & handwriting 'letter families'.

## Maths

- Addition & subtraction to 20.
- Exploring number bonds.
- Numbers to 20 and beyond.
- Length & height.
- Weight & volume.
- Introducing 'Numbots'.

## PE & Physical Development

- Continuing to develop our spatial awareness and isolating movements of different body parts.
- Using large body movements to support our handwriting through 'Write Dance'.
- Exploring rolling and trapping.

## Geography/History & Understanding the World

- Finding out about famous astronauts like Neil Armstrong and Valentina Tereshkova and their roles in the history of space exploration.
- Exploring the Solar System and Earth's place within it.

Buttercups

Zoom to the  
Moon

## PSHCE & RE & Personal, Social & Emotional Development

- Exploring Feelings.
- Identifying and respecting our similarities and differences.
- Learning how to be a good friend.
- Festivals: Easter and Chinese New Year.

## DT & Art & Expressive Arts & Design

- Using levers and sliders to create moving pictures.
- Finding out about Futurism to inspire our space pictures.
- Using pastels to show movement.
- Planning, building and evaluating.

## Science & Understanding the World

- Sorting and naming **materials**. Finding out about their properties and comparing them.
- Weekly "Muddy Learning" to explore our garden and field: using fieldwork and observation skills, asking questions, identifying, classifying and collecting data (link to Geography).

## Computing

- Using the internet to find out about space and simple word processing to display what we find out.
- Learning how to stay safe when using the internet.

## MUSIC & Expressive Arts & Design

- Using drama and hot seating to explore feelings.
- Moving to the beat, exploring rhythm and imitating pitch.
